The Third Sunday of Easter
April 14, 2024
“WELCOME TO THE MOTHER CHURCH”

“Enter His gates with thanksgiving, and into His courts with praise. Give thanks unto Him and bless His name”.

Psalm 100:4

Grace and Peace to you from God on this
the Third Sunday of Easter and the Health Ministry
Presents: Gift of Life Sunday.

We are honored to welcome **Naja Killibrew**,
Multicultural Affairs Specialist - Gift of Life Donor Program.

On behalf of the Clergy, Wardens, Vestry, and People of God, welcome to the historic African Episcopal Church of St. Thomas, founded in 1792 as the first Black Episcopal Church in the U.S.A. The first rector of this historic parish, The Rev. Fr. Absalom Jones was also the first Black Episcopal priest in the nation.

Our parish boldly proclaims the reconciling Gospel of Jesus Christ. We are an active, mission-minded and growing church family. Whoever you are and wherever you may find yourself on your spiritual journey of faith, you are always welcomed at St. Thomas' Church, where we are joyfully and enthusiastically committed to Jesus' message of love, hope, prayer, acceptance and faith. Today, as you worship in this place, may you experience and feel the presence of the Lord, and may you leave feeling renewed, refreshed and revived. Whoever you may be and however you may find yourself experiencing life's journey, do know that St. Thomas Church welcomes you. Again, welcome!

Faithfully,

Martini Shaw +

(The Very Rev. Canon) Martini Shaw, 17th Rector
and Dean of the Schuylkill Deanery

THE GIFT OF LIFE DONOR PROGRAM

Gift of Life Donor Program is the nation's leading organ procurement organization coordinating more organ and tissue donors than anywhere else in the United States. Take a look at our extensive history of saving lives.

Gift of Life Donor Program is the largest organ procurement organization (OPO) in the United States, leading the nation in the number of organ donors since 2008. Serving more than 11.3 million people across the eastern half of Pennsylvania, southern New Jersey and Delaware, we help and heal lives by coordinating the recovery and distribution of organs and tissues used in life-saving and life-enhancing transplants.

Headquartered in Philadelphia, PA, we serve as a critical link between individuals and families who make the generous decision to donate organs and tissues, and those who need a transplant.

10 REASONS to SAY YES

95%

of people support organ donation.

Transplants give people a **second chance at life**, so they can work, travel, play sports, graduate, marry, have children, raise families and more.

Over **46,000 Americans** receive a **life-saving transplant** each year, but many more are waiting and 17 die each day.

Diabetes and hypertension damage organs, **increasing the need in multicultural communities.**

Being a donor **does not affect** medical care or funeral arrangements.

If everyone registered, it is estimated that an additional **17,000 people would receive a life-saving transplant** each year.

One organ donor can **save up to 8 lives** and a tissue donor can **help about 100 others.**

Everyone can register, regardless of their age or health history.

Donation is **supported by all major religions** for its humanity, love and compassion.

What if you or a loved one needed a transplant?

Register as an organ and tissue donor at donors1.org

This community embraces and executes the core values of our founder, the Reverend Absalom Jones: leadership, morality, spirituality, equal rights, education, liberty, charity, justice, humanitarianism, self-determination, self-respect, and freedom.

St. Thomas is an open, Christ-centered community of faith in which the Gospel is re-imaged, taught, lived and spread.
