THE FIFTH SUNDAY OF PENTECOST

July 10, 2022, 10:00 AM

“WELCOME TO THE MOTHER CHURCH”

“Enter His gates with thanksgiving, and into His courts with praise. Give thanks unto Him and bless His name”.

Psalm 100:4

Grace and Peace to you from God on this The Fifth Sunday of Pentecost.

On behalf of the Clergy, Wardens, Vestry, and People of God, welcome to the historic African Episcopal Church of St. Thomas, founded in 1792 as the first Black Episcopal Church in the U.S.A. The first rector of this historic parish, The Rev. Fr. Absalom Jones was also the first Black Episcopal priest in the nation.

Our parish boldly proclaims the reconciling Gospel of Jesus Christ. We are an active, mission-minded, and growing church family. Whomever you are and wherever you may find yourself on your spiritual journey of faith, you are always welcomed at St. Thomas' Church, where we are joyfully and enthusiastically committed to Jesus' message of love, hope, prayer, acceptance, and faith. Today, as you worship in this place, may you experience and feel the presence of the Lord, and may you leave feeling renewed, refreshed, and revived.

Faithfully,
The Very Rev. Canon Martini Shaw,
17th Rector and Dean
of the Schuylkill Deanery

GHOST GUNS FACT SHEET

What is a Ghost Gun?

Ghost guns — untraceable firearms without serial numbers, assembled from components bought online — are increasingly becoming the lethal weapon of easy access

for those legally barred from buying or owning guns around the country. The criminal underground has long relied on stolen weapons with filed-off serial numbers, but ghost guns represent a digital-age upgrade.

Ghost guns have flourished because of a loophole in federal regulation: The parts used to build “privately made firearms” are classified as components, not actual guns, which means that online buyers are not required to undergo background checks or register the weapons. that makes them a powerful magnet for those banned from gun ownership, including convicted felons, domestic abusers subject to orders of protection, the mentally ill and children.

The Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF)’s current interpretation of federal law allows people who can’t legally own a firearm to easily buy the parts for a ghost gun. In less than one hour, these self-made weapons become fully functioning, untraceable firearms. A person can buy the parts and assemble a ghost gun from a kit on the Internet.

The Scope of the Problem

In 2021 NBC News in Philadelphia reported that 1 out of every 10 of all firearms confiscated at crime scenes in Philadelphia were ghost guns. That number is rapidly expanding year by year. Ghost guns are the fastest-growing gun safety problem facing our country.

“The number of “ghost guns” recovered by Philadelphia police during criminal investigations has skyrocketed to 436 through Oct. 4 of this year, more than all the homemade guns seized in the city in 2019 and 2020 combined.”

This epidemic is hitting young people hard. “People aren’t buying regular guns anymore,” said Antoine Towers [quoted in the New York Times], who works for an anti-violence program in Oakland. “Almost all the youngsters are using ghosts.”

Needed Legislation

Closing the ghost gun loophole is vital for Pennsylvania. What we need is a law that would treat ghost guns as traditional firearms

- requiring core components to be engraved with serial numbers,
- imposing background checks, and
- requiring online purchasers to pick up their orders at federally licensed gun shops.

A Deadly Loophole – Specs on a Ghost

Gun Ghost guns pose an elemental question: What makes a gun a gun?

Every semiautomatic weapon consists of two main parts: the movable upper “slide,” which sits on the barrel of a pistol, and the “receiver” or “frame” — the lower part to which almost everything else, including the trigger and magazine, can be attached and made functional after drilling a few holes and filing a groove into an unfinished, factory-produced frame.

Under federal law, any frame or receiver considered 80 percent finished is a functional firearm subject to the same regulations as a fully assembled gun. If it is less than 80 percent finished, it is not subject to the same federal safeguards. Even so, an amateur can make the minor modifications needed to turn it into a working firearm in less than an hour.

CALL TO ACTION - THE SCHUYLKILL DEANERY'S LETTERS TO STOP GUN VIOLENCE - TAKE UP YOUR PENS!

St Thomas, you are reminded to take a copy of the letter home today. YOU are asked to address the letter with your state legislature's name and address. Mail your letter this week! (Don't forget your return address). There will be additional mailings in July, August, and September. The Schuylkill Deanery will provide us with copies of letters each month as we attempt to be a consistent and constant voice addressing gun violence in Philadelphia. Here are links to the [Letter](#) and [Script](#).

If you have any specifics you would like to see added to future letters, please contact [Mary Dean](#) or [Phyllis Cater](#). Your voices need to be heard!

A FEW QUOTES AND PARAPHRASES ON “VIRTUAL WORSHIP”

“Virtual and live stream worship have been, and will continue to be, a blessing to the church. However, by no means can it substitute coming and physically receiving the Sacrament of the Holy Eucharist (Communion).”
(From Fr. Martini Shaw’s Homily on Jan. 16, 2022).

“Online Masses and Spiritual Communion do not represent the church. The faithful not gathered to receive the Sacraments is not the church. Jesus’ disciples always lived their relationship with the Lord in Community. They gathered, around the sacrament, at the same table, as a sign of community”. (Pope Francis’ message)

“If you are unable to receive the Sacrament, by reasons of extreme sickness or physical disability; or when being present at a celebration is absolutely impossible, it is possible to open yourself to God’s grace and blessing”.
(Episcopal Church Book of Common Prayer).

IMPORTANT NOTICE:

The wearing of masks will remain **MANDATORY** while at St. Thomas until further notice. St. Thomas will follow the recommended guidelines of the CDC, the City of Philadelphia, and the Diocese of PA. Let us love our neighbor and worship safely!

Calling All Future Shepherds of the AECST: Plans are in the works for resurrecting and re-imagining the **SHEEP & SHEPHERDS MINISTRY** created many years ago by parishioner Mrs. Vernetta Dow. As a telephone ministry, the goal is that every **AECST** family of parishioners (sheep) will have a shepherd that keeps in touch with them on a regular basis. We are now calling for parishioners to volunteer as shepherds. Before this ministry can be rolled-out, a sufficient number of volunteers is needed in order to minimize the number of families that each will shepherd. Please note that the Vestry will continue to shepherd new members. For more information and to volunteer, please either see **Charlene M. Wiltshire** before or after Sunday church services or send an email. Thank you!

THE AFRICAN EPISCOPAL CHURCH OF SAINT THOMAS is a Christ-centered community that welcomes all people. This community embraces and executes the core values of our founder, the Reverend Absalom Jones: leadership, morality, spirituality, equal rights, education, liberty, charity, justice, humanitarianism, self-determination, self-respect, and freedom.

St. Thomas is an open, Christ-centered community of faith in which the Gospel is re-imaged, taught, lived and spread.
